## Do you see negative patterns in your family that you are repeating?

When we became Christians our hurts and pain did not simply go away. Many negatives of life still existed. Although Jesus died so that we could be free from sin and its consequences, many do not know how to enter into that freedom.

Step one on the road to freedom is to recognize our need for healing! Join us at this Hope, Healing and Freedom Seminar to receive the keys to unlock God's solutions for healing.

Early enrollment now-May 1<sup>st</sup> cost is \$25, after is \$35, workbook is included.  
Registration cut-off is June 1<sup>st</sup>. Make checks payable to Dona Stansbery and  
Mail to SVYR, 31274 County Road 320, Canton MO, 63435
